Holiday Favors  
4"x6" set  
CS114

These little figures are sized perfectly to compliment a 2"x2" truffle box. Stamp, color and then cut out the image. Then fit the image to the front of the box, or slip inside so only the top part of the stamp is visible. Perfect for holiday, birthday or baby shower favors.

Vintage Pumpkins  
4"x6" set  
CS113

Based on vintage Halloween decoration, these stamps feature the accordion folded "springy" arms and legs that were popular in the 40's. Individual hands, feet and faces are also included so that you can create your own accordion folded arms and attach the images for a three-dimensional design.
